Martha Berry, Pd.D., LL.D.

FOUNDER AND DIRECTOR

Dear Boys and Girls:

You are leaving Berry with the diplomas you have earned through work and study. Frame your diploma and treasure it if you will, but I earnestly request you to remember and treasure those ideas and principles we have tried to teach you while you were with us; treasure and put into practice those things we have emphasized at Berry—in classes, in work and play.

I want to thank you for the wonderful spirit of co-operation and helpfulness you have shown throughout this school year. You have helped to make the year a success.

As I have told other classes who have gone out from Berry, I now tell you: Wherever you go and whatever you do, you belong to Berry, and I plead with you to so live that no act of yours will be unworthy of your training here, or bring dishonor to the "Flag of Silver and Blue."

Come back to Berry and feel always that it is your home. Write to me occasionally. I shall be interested to know what you do and where you go. Help Berry with your love and loyalty. Much of the success of the future of the Berry Schools rests with the boys and girls we are sending out year after year.

With affectionate regards and best wishes for the success of every one of you as you go from us to new and untried friends,

Faithfully yours,

Martha Berry
